THIS IS A GOOD BLOTTER

Dear Sir:

The Jasmine Crop this year came on this year early enough that first shipments will be made about May 10th or 12th, shipping season continuing until about June 10th. There will be a good stock for Easter Day.

In mailing your order do not forget that the older a Jasmine bush gets the poorer quality of stock it furnishes. By continual planting I have a new field coming on every year or two which always gives me a supply of stock from young bushes; thus insuring a quality far above the average. Will be pleased to receive your order at an early date. Terms and prices as per the enclosed.

Yours truly,

E. J. SHEFFIELD
